Event Details	<p>Despite recent uncertain market conditions, ongoing development and growth in the ASEAN+2 (<i>China and India</i>) countries continues to offer promising opportunities for agile businesses. Increasingly, ASEAN+2 countries are looking towards one another for expansion opportunities and to tap new markets close to home. While the potential rewards of venturing beyond home borders can be significant, identifying and fully capitalizing on opportunities ASEAN+2 has to offer is not always easy or straightforward.</p> <p>This important and timely KPMG executive briefing will provide you with a chance to hear distinguished speakers share their views on the opportunities and challenges that businesses can expect to face in the ASEAN+2 marketplace in 2010.</p>
Fee	There is no fee for attending this event, though early registration is recommended as the number of seats is limited.

Why should you attend?

- To hear about the business outlook for ASEAN+2 in 2010
- To network, make new business contacts and exchange ideas
